- a. Receive public comment regarding a request approve the Map Amendment rezoning properties located 1407 & 1809 East Burris Road and 5920 North Jardot Road from A (Agriculture) to RSL (Residential Large Lot)

City Planner Jacquelyn Porter reported that the applicant requests a review and approval of a map amendment to rezone the properties addressed as 1407 & 1809 East Burris Road and 5920 North Jardot Road from Agriculture (A) to Residential Large Lot Single-Family (RSL). She stated that the subject properties are located on the north side of Stillwater near the intersection of East Burris Road and North Jardot Road and are currently vacant lots. Ms. Porter stated that the subject site is surrounded by the border of city limits on all sides except to the west where it is zoned Agriculture.

Mayor Joyce opened the public hearing.

Stephen Gose, Gose & Associates, 113 W. 8th Street, spoke on behalf of the applicant.

Mayor Joyce closed the public hearing.

Planning Commission recommended approval 3-0.

MOTION BY COUNCILOR CLARK, SECOND BY COUNCILOR HAWKINS TO ACCEPT THE PLANNING COMMISSION'S RECOMMENDATION TO APPROVE THE MAP AMENDMENT FOR THE PROPERTIES LOCATED AT 1407 & 1809 EAST BURRIS ROAD AND 5920 NORTH JARDOT ROAD.

8. GENERAL ORDERS

- a. Consider approval of budget amendments appropriating \$400,000 to construct an equipment storage building and lean-to, \$50,000 to complete a strategic business plan, and \$165,000 for personnel expenditures for Stillwater Regional Airport

Airport Director Paul Priegel stated that the Stillwater Regional Airport is rapidly transforming to adapt to increasing commercial service needs. Two areas of immediate needs have been identified:

- The construction of a large storage building and lean-to to house airport equipment currently being stored outside. Moving this equipment inside will increase security, prolong the life of the equipment and remove equipment from areas intended for aircraft parking/hangar development.
- The development of an economic development program to encourage growth and development on the airport with hopes the airport can eventually become self-sustaining.

Mr. Priegel reported that in addition to the above needs, there is a need to increase the adopted personnel budget to adjust for an administrative team reorganization and four additional security positions that were added to accommodate new security requirements.

Mr. Priegel reported that the airport staff is currently working on a building design to meet the storage needs. The project budget goal is to not exceed \$400,000. Staff anticipates that a strategic business plan will cost up to \$50,000. Mr. Priegel stated that the airport has received in excess of \$1 million in COVID relief funds that can be used to cover the personnel expenses, including the additional new positions.

MOTION BY COUNCILOR DZIALOWSKI, SECOND BY COUNCILOR HAWKINS TO APPROVE BUDGET AMENDMENTS APPROPRIATING \$400,000 TO CONSTRUCT AN EQUIPMENT STORAGE BUILDING AND LEAN-TO; \$50,000 TO COMPLETE A STRATEGIC PLAN; AND \$165,000 FOR PERSONNEL EXPENDITURES FOR STILLWATER REGIONAL AIRPORT.

ROLL CALL VOTE: JOYCE-YEA, ZANNOTTI-YEA, DZIALOWSKI-YEA, HAWKINS-YEA, CLARK-YEA. NAY-NONE. MOTION CARRIED WITH FIVE YEA VOTES.

- b. Consideration, discussion, and possible approval of a Lease/Purchase Agreement for Skyline East Section Two Offsite Sewer Line by and between City of Stillwater, Stillwater Utilities Authority, and Eastside III, LLC

Deputy Director of Project Management and Construction Andy Doerflinger stated this is the same item that was discussed during the Stillwater Utilities Authority meeting earlier tonight.

MOTION BY COUNCILOR HAWKINS, SECOND BY VICE MAYOR ZANNOTTI TO ENTER INTO A LEASE/PURCHASE AGREEMENT FOR SKYLINE EAST SECTION TWO OFFSITE SEWER LINE BY AND BETWEEN CITY OF STILLWATER, STILLWATER UTILITIES AUTHORITY AND EASTSIDE III, LLC.

ROLL CALL VOTE: JOYCE-YEA, ZANNOTTI-YEA, DZIALOWSKI-YEA, HAWKINS-YEA, CLARK-YEA. NAY-NONE. MOTION CARRIED WITH FIVE YEA VOTES.

- c. Consider approval for Stillwater Public Library to make a sole source purchase of downloadable material from Overdrive for the Oklahoma Virtual Library platform

Library Director Stacy DeLano reported that on August 15, 2022, City Council approved a budget amendment for \$100,000 from the Oklahoma Department of Libraries (ODL) for the purchase of downloadable material for the Oklahoma Virtual Library (OKVL) Consortium. Overdrive is a vendor for libraries purchasing downloadable material and is the platform upon which OKVL is based. It allows mid and small sized libraries in Oklahoma to share downloadable content. Ms. DeLano stated that the materials in OKVL are purchased from Overdrive.

MOTION BY VICE MAYOR ZANNOTTI, SECOND BY COUNCILOR HAWKINS TO APPROVE STILLWATER PUBLIC LIBRARY TO MAKE A SOLE SOURCE PURCHASE OF DOWNLOADABLE MATERIAL FROM OVERDRIVE FOR USE ON THE OKLAHOMA VIRTUAL LIBRARY PLATFORM.

ROLL CALL VOTE: JOYCE-YEA, ZANNOTTI-YEA, DZIALOWSKI-YEA, HAWKINS-YEA, CLARK-YEA. NAY-NONE. MOTION CARRIED WITH FIVE YEA VOTES.

- d. Consider award of the base bid for the Community Center ramp and canopy project to Lambert Construction in the amount of \$363,071 and approve budget amendment appropriating \$66,371 in additional needed funds from contingency fund

Procurement Manager John McClenny reported that on January 11, 2021, City Council approved a proposal by the Community Center Foundation to install an accessible entrance on the south side of the Community Center. On January 25, 2021, Stillwater Utilities Authority approved a budget of \$45,000 to relocate the electric service to facilitate the installation of the ramp and canopy. The electric relocation is complete. Mr. McClenny stated that the ramp and canopy design was completed so bids were opened on March 16, 2022 with all bids exceeding the budget. He stated that the Community Center Foundation raised additional funds for the project and the project was redesigned. On August 31, 2022, bids were opened for the ramp and canopy project with one bid being received from Lambert Construction. The base bid again exceeded the project budget.

Mr. McClenny stated that the ramp is needed to address the access situation at the back entrance. The front entrance is wheelchair accessible, but requires traversing a distance of 200 yards from the main parking lot. The proposed ramp will decrease that distance to less than 30 yards. Mr. McClenny reported that re-design and re-bidding of the project is unlikely to produce better results. He stated that the Foundation has raised \$296,700 in donations and the agreement states that "any and all project costs exceeding \$296,700 shall be the responsibility of the City". Mr. McClenny reported that an additional \$66,371 is needed to award the base bid and the contingency account has the funds for the additional expenditure.

MOTION BY COUNCILOR CLARK, SECOND BY COUNCILOR DZIALOWSKI TO AWARD THE BASE BID TO LAMBERT CONSTRUCTION IN THE AMOUNT OF \$363,071 AND APPROVE A BUDGET AMENDMENT APPROPRIATING THE \$66,371 IN ADDITIONAL FUNDS NEEDED FROM THE PROJECT CONTINGENCY.

ROLL CALL VOTE: JOYCE-YEA, ZANNOTTI-YEA, DZIALOWSKI-YEA, HAWKINS-YEA, CLARK-YEA. NAY-NONE. MOTION CARRIED WITH FIVE YEA VOTES.

9. RESOLUTIONS

Airport Director Paul Priegel reported that through the Master Plan Update and preliminary Terminal Design and Siting Process, it has been determined that Hangar 1 will need to be relocated. Hangar 1 currently houses two businesses, Quality Aircraft Maintenance and Hangar 1 Flight School. Oklahoma State University Mechanical and Aerospace Engineering has also advised they have an immediate need for approximately 3,400 square feet of research/office/lab space with future hangar needs as well. Mr. Priegel stated that the airport will need to utilize engineering services to design an appropriately sized hangar to not only replace the existing Hangar 1 facility but accommodate the additional space needs. Once an appropriate size is determined, a better cost estimate will be available. He stated that the Oklahoma Aeronautics Commission (OAC) has selected Stillwater Regional Airport to participate in the competitive hangar loan grant program. This program will lend up to 60% (max \$600,000) for the construction of a hangar. Mr. Priegel stated that since this grant is covering expenditures already budgeted, this creates an available fund balance in the Airport Fund that can be appropriated for the proposed uses discussed in this report. A budget amendment has been prepared appropriating \$500,000 to this project account and the OAC loan will be added to the account once it is approved.

- a. Resolution No. CC-2022-26: A resolution authorizing the submission of a loan application to the Oklahoma Aeronautics Commission of the State of Oklahoma to fund a hangar project at Stillwater Regional Airport; approving a budget amendment appropriating funds to the hangar project; and authorizing the Mayor to sign the loan application

MOTION BY COUNCILOR DZIALOWSKI, SECOND BY COUNCILOR HAWKINS TO ADOPT RESOLUTION NO. CC-2022-26 AS PRESENTED.

ROLL CALL VOTE: JOYCE-YEA, ZANNOTTI-YEA, DZIALOWSKI-YEA, HAWKINS-YEA, CLARK-YEA. NAY-NONE. MOTION CARRIED WITH FIVE YEA VOTES.
