**TRANSPORTATION PROJECT ADVISORY COMMITTEE MEETING AGENDA**  
JULY 24, 2025

723 S Lewis Street  
Room 1112B  
Stillwater, OK 74074  
4:00 PM

- 1. Call Meeting to Order
- 2. General Orders

The Transportation Project Advisory Committee will hear a staff presentation, discuss, and take action including a vote or series of votes on each item listed as presented or as amended or revised by the Transportation Project Advisory Committee unless the agenda entry specifically states that no action will be taken. The requested action is indicated in each agenda entry but may be amended or revised prior to action by the Transportation Project Advisory Committee.

- a. Approval of June 26, 2025, regular meeting summary.
- b. Transportation Sales Tax Fund financial report Christy Cluck, Jared Thulin  
(No action will be taken on this item)
- c. Discussion and possible action to make recommendations to the City Council regarding the proposed sequence or timing of commencement, continuance, and/or completion of transportation projects for which revenues from the 2022 Transportation Sales Tax are to be used including, but not limited to, discussion and possible action for the following specific projects: Bill Millis, Brady Moore
  - Pavement Management Plan for FY2026
  - 10th & Main Street Roundabout
  - Main Street signalized intersections (7th, 8th, and 9th)
- d. Discussion, consideration, and possible action regarding sidewalks, including sidewalk maintenance and improvements currently included and budgeted for in the Pavement Management Program, and other sidewalk projects that may be Bill Millis

funded from the Transportation Sales Tax Fund.

- e. Discussion, consideration, and possible direction to staff on Bill Millis proposed projects to be funded from the revenues generated by the 2022 Transportation Sales Tax.

3. Public Comment

Stillwater City Code, Section 2-53(a) & (b), provides that taxpayers or residents of the city, or their authorized legal representatives, may address the committee at a regularly scheduled meeting on **any item of business listed on the meeting agenda**.

4. Reports from Committee Members or Staff

- a. Next regular meeting is August 28, 2025.

5. Adjourn

On \_\_\_\_\_ at \_\_\_\_\_, a true and correct copy of this agenda was posted on the kiosk outside City Hall, 723 S. Lewis Street, Stillwater, OK.

---

The City of Stillwater encourages participation from all citizens. If participation at any public meeting is not possible due to a disability, please notify the City Manager's office at least 48 hours prior to the meeting by calling 405.742.8243.

- Meetings are televised on AT&T U-verse channel 99 and Suddenlink channel 14.
- Find meeting agendas and minutes online at [Agendas and Minutes](#)
- Official minutes are archived in the City Clerk's office.

**TRANSPORTATION PROJECT ADVISORY COMMITTEE  
REGULAR MEETING MINUTES  
THURSDAY, JUNE 26, 2025**

Members present: Brad Rickelman, Steve Whitworth, Gary Clark and Roger Gose

Others present: Assistant City Attorney Ashlyn Garis, Assistant City Manager/Director of Finance Christy Cluck, Accounting Manager Jared Thulin, Director of Engineering Bill Millis, Administrative Assistant Casi Jackson as Recording Secretary

• **Call Meeting to Order**

Chairman Brad Rickelman called the meeting to order at 4:00 pm and asked for roll call.

|            |           |           |         |        |         |
|------------|-----------|-----------|---------|--------|---------|
| Roll Call: | Rickelman | Whitworth | Clark   | Brown  | Gose    |
|            | Present   | Present   | Present | Absent | Present |

Quorum established.

**2a. Review and approval of April 24, 2025, regular meeting summary.**

Mr. Gose moved to approve meeting summary; Mr. Whitworth seconded.

|            |           |           |       |      |
|------------|-----------|-----------|-------|------|
| Roll Call: | Rickelman | Whitworth | Clark | Gose |
|            | Yes       | Yes       | Yes   | Yes  |

Motion passed 4-0.

**2b. Transportation Sales Tax Fund financial report – Jared Thulin**

- Accounting Manager Jared Thulin reported that May’s sales tax collection was \$996,086, bringing the year-to-date total to 94% of the budget. He added that this figure included a large payment made for the Boys from Oklahoma concerts.
- Payments in May included \$228,005 for the Third Street Bridge; \$64,003 to Rudy’s Construction for various full-depth repair sites throughout the City; \$56,003 for Airport/Park/Harned reconstruction; and \$19,005 for Monticello.
- A budget amendment was taken to City Council to return unused funds from the Third Street and Husband Street bridges back to Fund balance to be appropriated as needed.
- Mr. Clark requested line numbers be added to financial report for easier reading.
- Jared stated that at the next meeting he would bring a breakdown of the projects compiling the FY21 Pavement Management Program line item.
- Mr. Clark asked if there were any funds outside the transportation sales tax going toward transportation projects, and Director of Finance Christy Cluck stated that there are not.

No action was taken.

**2c. Discussion and possible action to make recommendations to the City Council regarding the proposed sequence or timing of commencement, continuance, and/or completion of transportation projects for which revenues from the 2022 Transportation Sales Tax are to be used.**

- Referring to the attached report “Status of Various Transportation Projects,” Director of Engineering Bill Millis provided updates on the following projects:
  - Completed projects: Husband Street Bridge (19TR05), Airport/Park/Harned (20TR06-B), Third Avenue Bridge (19TR04)
  - In Construction: Monticello (25TR08/20TR06-C) is a little behind schedule because of challenges with water and sewer work early in the project.
  - Block 34 (23TR03) – All sod should be down by June 27, and grand opening is scheduled for July 26.
  - Full Depth Repairs (25TR06/21TR09) – The crew is on its seventh location. Mr. Whitworth asked if the work at 9th and Western is part of this project, and Bill reported that it is not; it is a water leak that is being repaired.
  - Diamond Grind (25TR05) – Hall of Fame is closed from Washington to Knoblock this week but should be opened tomorrow (June 27). Diamond grinding machine moving to McElroy next.
  - Airport Terminal Roundabout (23AP05) – Bill did not have an update on this project, but Mr. Clark asked what would happen if the project exceeds the City’s commitment of \$585,452.00. Bill replied that it is possible that it goes over budget but not without negotiation.
  - Windsor Drive (25TR11) – The crosswalk will touch three intersections, and they are nearly done with the first one.
  - There was brief discussion about the signs that say, “Your tax dollars at work” and whether citizens can see the improvements being made in their areas and know that the sales tax has made a difference.
  - In Design: Knoblock and 4th (25TR04) – 60% design submittal in review.
  - Drury Street Drainage (25TR02) – Near final comments on 90% design.
  - Deferred Maintenance (22TR07) – Staff preparing bid docs for advertisement.
  - Rails to Trails Phase II (24TR08) – Staff still working on the scope.
  - Mr. Clark inquired about an estimated start date for the oldest project on the report, Orchard Street and 5th Avenue (22TR10). Bill replied that it is in design and near the same status as the two projects listed above it, Drury and Villa, which are nearing final comments on 90% design.
- Bill gave an update on two items not listed on the spreadsheet:
  - The ODOT project on 6th – This project is at 65% and currently plans to keep a signal at Husband.
  - The County is planning to pave Sangre Road from Virginia to Lakeview, and this will leave an approximate quarter mile gap of gravel between Virginia and the orange bridge on Sangre. He is trying to work out a deal so the City does not end up with a quarter mile of gravel in City limits that they have to generate their own project to fix.

**ii. Discussion, consideration, and possible action regarding the Pavement Management Plan for FY2026.**

- Referring to an attachment, Bill presented the first draft of the Pavement Management Plan for FY2026. He stated that his goal is to take this plan to Council in August.
- There was discussion on the inclusion of sidewalk improvements and the pedestrian corridor in the budget and the importance of addressing existing projects before adding new ones.
- Mr. Gose suggested exploring the transportation fee fund as a potential source of additional funding. Christy offered to follow up with Bill on the transportation fee fund and its potential impact.
- Bill explained the Pavement Condition Index model scoring process that helped determine which roads to include in the full reconstruction projects.

Mr. Gose made a motion to direct staff to look into reviewing the cost of a crack sealing machine and expenses and report back to the committee. Mr. Clark seconded.

|            |           |           |       |      |
|------------|-----------|-----------|-------|------|
| Roll Call: | Rickelman | Whitworth | Clark | Gose |
|            | Yes       | Yes       | Yes   | Yes  |

Motion passed 4-0.

Mr. Gose made a motion to request staff bring the committee an update on balance of transportation fee fund and other potential funding sources. Mr. Clark seconded.

|            |           |           |       |      |
|------------|-----------|-----------|-------|------|
| Roll Call: | Rickelman | Whitworth | Clark | Gose |
|            | Yes       | Yes       | Yes   | Yes  |

Motion passed 4-0.

- Bill proposed studying the feasibility of adding a northbound lane at the 19th and Western intersection.
- The committee discussed the potential benefits and challenges of the proposed improvement, including floodplain issues.

**ii. Discussion, consideration, and possible action regarding the 10th and Main roundabout.**

- Bill provided an update on the 10th and Main roundabout, mentioning that a consultant is reviewing the intersection to give recommendations for improvement.
- The committee discussed potential improvements to the roundabout, including pedestrian safety and visibility.

**iii. Discussion, consideration, and possible action regarding the Main Street signalized intersections (7th, 8th, and 9th).**

- Bill mentioned the positive feedback received from the community regarding the blinking lights.
- Mr. Gose suggested including signs to indicate that the intersections are four-way stops, not broken signal lights.

No action was taken.

**2d. Discussion, consideration, and possible action regarding sidewalks, including sidewalk maintenance and improvements currently included and budgeted for in the Pavement Management Program, and other sidewalk projects that may be funded from the Transportation Sales Tax Fund.**

**i. Discussion, consideration, and possible action regarding a project addressing various sidewalk improvements throughout the City.**

- Referring to the attached report “Sidewalk Request Spreadsheet,” Bill reported that Engineering has prioritized the list and selected a lot of the easier ones and packaged them up into a long list. There is a contract with Gose and Associates to start working on design of this prioritized list, and he plans to take this contract to City Council.

Mr. Whitworth made a motion to make a recommendation to City Council to approve a sidewalk design contract for various sidewalk improvements throughout the city. Mr. Clark seconded.

|            |           |           |       |         |
|------------|-----------|-----------|-------|---------|
| Roll Call: | Rickelman | Whitworth | Clark | Gose    |
|            | Yes       | Yes       | Yes   | Abstain |

Motion passed 3-0.

**2e. Discussion, consideration, and possible direction to staff on proposed projects to be funded from the revenues generated by the 2022 Transportation Sales Tax.**

- There were no comments.  
No action was taken.

**3. Public Comment on Items not Scheduled for Public Hearings**

- There were no comments.  
No action was taken.

**4. Reports from Committee Members and Staff**

- Next scheduled meeting is July 24, 2025.  
No action was taken.

**5. Adjourn**

Chairman Rickelman asked if there were any further comments or questions; none responded. Mr. Gose moved to adjourn; Mr. Whitworth seconded.

|            |           |           |       |      |
|------------|-----------|-----------|-------|------|
| Roll Call: | Rickelman | Whitworth | Clark | Gose |
|            | Yes       | Yes       | Yes   | Yes  |

Motion passed 4-0.

- Meeting adjourned at 5:24 pm.

**City of Stillwater - Transportation Sales Tax Fund**

**ORDINANCE NO. 2784**

"AN ORDINANCE RELATING TO ARTICLE IV SUBDIVISIONS, DIVISION 4 IMPROVEMENTS, REPEALING AND REPLACING IN PART SECTION 23-105 STREET IMPROVEMENTS TO PROVIDE FOR A TRANSPORTATION FEE AND DECLARING AN EMERGENCY."

**Section 23-105 Street Improvements**

...

(a)(4) Prior to the issuance of a building permit for new residential, commercial or industrial construction, the permit applicant shall pay a transportation fee to be used by the City for the exclusive purpose of planning, designing and constructing capacity enhancements to the City's transportation system. New single family residential construction shall be assessed a fee of three hundred and fifty dollars (\$350) for each dwelling unit. New commercial construction shall be assessed a fee of three and one-half cents per square foot (\$0.035/s.f.) of platted land area or development area as shown on the final site plan for the proposed commercial construction or three hundred and fifty dollars (\$350), whichever is greater. The fee shall also apply to additions to existing commercial or industrial buildings in which the building footprint of the building being expanded increases by twenty five percent (25%) or more. The fee for commercial building additions shall be based on the additional building footprint area and the land area of the site improvements required by Code to support the building addition. This fee shall remain in place until such time that the City can comprehensively assess the increased transportation demands created by the growth of the community, identify the capacity enhancements to the City's transportations system required to meet those demands and establish a revenue source to fund the required enhancements.

## FY26 Pavement Management Plan

July 24, 2025

### FY26 Program

|   |                  |
|---|------------------|
| Various Sidewalk Improvements (Locations TBD) - | \$ 1.0 M         |
| Pedestrian Corridor Design -                    | \$ 160 K         |
| Full Depth Repair Patching -                    | \$ 800 K         |
| Various Pavement Maintenance Treatments -       | \$ 3.0 M ①       |
| Full Reconstruction Projects -                  | \$ 2.23 M ①      |
| Public Works Maintenance Capital -              | \$ 1.08 M ①      |
| Contingency (20%)                               | \$ 1.73 M        |
| <b>Total</b>                                    | <b>\$ 10.0 M</b> |

① See Breakdown on page 2.

*DRAFT*

**FY26 Breakdown**

**July 24, 2025**

**FY26 Full Reconstruction Projects**

|  |                        |
|--|------------------------|
| Mathews from Duck to Husband (Avg PCI 30) -                                  | \$ 300 K ②             |
| 10 <sup>th</sup> from Lewis to Lowry (PCI 20) -                              | \$ 410 K ②             |
| 19 <sup>th</sup> and Western Intersection Improvements -                     | \$ 210 K ②             |
| 26 <sup>th</sup> Ave from Western to Washington (Main) Design (Avg PCI 30) - | \$ 1.0 M               |
| Supplement Construction Funding for Legacy Project -                         | \$ 310 K               |
|  | <b>Total \$ 2.23 M</b> |

**FY26 Various Pavement Maintenance Treatments**

|   |            |
|---|------------|
| Mill and Overlay / Seal Coat / Striping | \$ 3.0 M ② |
|---|------------|

[Locations to be determined in accordance with Pavement Condition Index model]

**Total \$ 3.0 M**

**FY26 Public Works Maintenance Capital**

|  |                        |
|--|------------------------|
| Replacement of Obsolete Signal Communication System -  | \$ 400 K               |
| Signal Battery Backups at Signalized Intersections -   | \$ 230 K               |
| Signal Conversion from Loops to Camera (2 locations) - | \$ 50 K                |
| Miscellaneous Pavement Improvements -                  | \$ 200 K               |
| Roadway Striping -                                     | \$ 200 K               |
|  | <b>Total \$ 1.08 M</b> |

② Includes Construction Administration / Survey / Engineering / Testing (20%).
