

Public Notice

August 8, 2025

The Stillwater Regional Airport (SWO) has established an airport Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the US Department of Transportation, 49 CFR Part 26. For fiscal years 2025 through 2027, SWO has established an overall goal of 1.3% for Federal Aviation Administration (FAA) funded airport capital improvement projects. The DBE goal is established as a cumulative goal for the duration of this SWO DBE program in the North Central Oklahoma market area. The total three-year DBE goal amount is estimated at \$87,035, based on the applicable percentage of total project estimates in the Airport Capital Improvement Plan (CIP) for FY25-27. These FY 25-27 CIP projects include: new terminal construction and ATC Tower design.

The proposed goal and rationale is available for review between 8:00am and 5:00pm Monday through Friday (excluding observed holidays) at Stillwater Regional Airport Administration Office, 3304 N. Airport Industrial Access Rd, Stillwater, Oklahoma 74075 for 30 days from the date of this publication. A public meeting to present the goal and rationale to the public will be held on Tuesday, September 9th, 2025 at 6:00 p.m. inside the Stillwater Regional Airport terminal near the baggage claim area, located at 2020-1 W. Airport Rd. Stillwater, OK 74075.

Comments on the SWO DBE goal will be accepted for 30 days from the initial date of this publication (through September 9, 2025) and can be sent to:
